Necrology

Maxine Tillotson, retired teacher from Webster Central School, died February 4, 1984 at the Genesee Hospital, Rochester, N.Y. A graduate of the Eastman School of Music, and a post-graduate student at the University of Michigan, she was an outstanding instrumental tecaher whose elementary bands and orchestras consistently received A ratings from NYSSMA Evaluation Festivals. As one of her colleagues said, "The music profession lost a great teacher when she retired." She is survived by her mother, a sister, a nephew and a niece.
